Georgia United Credit Union Announces #SWIPE4CHOA Event

The credit union will donate \$.10 of every debit card transaction, up to \$5K, made on October 17, to Children's Healthcare of Atlanta

Duluth, GA (October 10, 2019) – On Thursday, October 17, 2019, Georgia United Credit Union members and team members will be using their spending power to make a difference in the lives of children.

#Swipe4CHOA is a one-day event where Georgia United will donate \$.10 of every debit card transaction, up to \$5,000, made on October 17, to Children's Healthcare of Atlanta (CHOA). Members and team members will participate in this worthy cause by using their Georgia United Visa® Debit Card when making purchases on this day. This event gives members and team members an opportunity to make a big impact on the community without disrupting their day.

This special campaign will be held on October 17, in celebration of the 71st anniversary of International Credit Union Day. Georgia United is committed to improving the lives of their members, team members, and the communities they serve, and this is just one example of how Georgia United supports the progression of the credit union movement.
